Founded and incorporated in Maryland in 2003, New Vision House of Hope, Inc.(NVHOH) is a 501 (c) (3), tax-exempt, not-for-profit corporation that has a demonstrated track record of nine years in providing high quality, culturally-competent housing, health education, and supportive services. Its corporate and administrative offices are located at 3931 Ridgewood Avenue, Baltimore, MD 21215.

NVHOH operates seven supportive and transitional houses for men and women in recovery from alcohol, drugs, and other illicit substances. It also offers the following services: health education classes; tobacco cessation classes; referrals for permanent housing; case management; outpatient addictions counseling (individual and group); mental health counseling (individual and group sessions); referrals for job training and placements; workshops on gaining independent living skills (life skills training); parenting skills workshops and support group; referrals for inpatient mental health, primary care, inpatient substance abuse treatment, and HIV testing; HIV Consumer Advisory Board; transportation services; recreational/enrichment activities; referrals for legal services; and wrap-around services for men and women newly-released from prison. Special populations served include African Americans, Hispanic/Latino Americans, Native Americans, Asian Americans, women, persons living with HIV/AIDS, Lesbian/Gay/Bisexual/Transgendered individuals, chronically homeless (men and women), and persons recently released from incarceration.
